Fifty-first session
Agenda item 84

UNITED NATIONS RELIEF AND WORKS AGENCY FOR PALESTINE REFUGEES IN THE NEAR EAST

University of Jerusalem "Al-Quds" for Palestine refugees

Report of the Secretary-General

1. The present report is submitted in pursuance of General Assembly resolution 50/28 G of 6 December 1995, the sixteenth resolution adopted since the first consideration of the subject at the thirty-fifth session (resolution 35/13 B).

2. The Secretary-General has submitted 14 reports (the last one being A/50/531) on the steps he has taken in pursuance of those resolutions, including his efforts to prepare the functional feasibility study on establishing the proposed university at Jerusalem that was first requested by the General Assembly in its resolution 36/146 G. The position of the Government of Israel in regard to the establishment of the university is also set out in those reports.

3. As the Secretary-General has previously indicated (see A/41/457, para. 4), he believes that, in order to comply with the request addressed to him by the General Assembly, it will be necessary to complete the functional feasibility study initiated in pursuance of previous Assembly resolutions. To that end, after Assembly resolution 50/28 G was adopted, the Secretary-General again sought the assistance of the Rector of the United Nations University, who, at his request, made available a highly qualified expert, Mihaly Simai, to assist in the preparation of the study. The expert was to visit the area and meet with the competent Israeli officials, bearing in mind that Israel exercises effective authority in the area concerned.

4. In a note verbale dated 6 September 1996 addressed to the Permanent Representative of Israel to the United Nations, the Secretary-General, with reference to the request addressed to him by the General Assembly, requested that the Government of Israel facilitate the visit of the expert, which would take place at a mutually convenient date. Recalling the position taken by the Government of Israel concerning the proposed university, as well as the clarifications already given by the Secretariat to the questions raised by the Israeli authorities (see A/36/593, annex), the Secretary-General expressed the opinion that such questions could be best discussed on the occasion of the visit of the United Nations expert.

5. On 12 September 1996, the Acting Permanent Representative of Israel sent the following reply to the Secretary-General:

> "Israel has voted consistently against this resolution entitled 'University of Jerusalem "Al-Quds" for Palestine refugees', and its position remains unchanged. It is clear that the sponsors of this resolution seek to exploit the field of higher education for political purposes totally extraneous to genuine academic pursuits. Accordingly, the Government of Israel is of the opinion that the proposed visit of Dr. Mihaly Simai to Israel would serve no useful purpose."

6. In view of the position taken by the Government of Israel, it has not been possible to complete the functional feasibility study on the proposed university at Jerusalem as planned.
